### Chukchansi's Cash Is King Cash Giveaway

Chukchansi Gold Resort & Casino has begun to make every guest feel like a King in our \$100,000 Cash Is King Giveaway s throughout the month of September. The cash prize has continued to increase as the month draws to a close. We are please to announce our largest Cash Is King Winner, Joe D, of Fresno California. He was definitely feeling like royalty when he was awarded \$20,000.

The Cash Is King Giveaway theme will be incorporated throughout the property including e-cash earnings, promotions, slot tournaments and hot seats. Chukchansi Rewards Card members will earn tickets for swiping their card daily and by playing to earn double tickets every Saturday.

“Once again we are proud to be the best, where we award our best players with the best cash prizes,” said Chanel Wright Public Information Officer. Even though we have large cash prizes every week with our casino wide promotions it still leaves our guests stunned beyond belief. “I’m speechless and Still in shock,” were the words uttered by Joe D. of Fresno. An onlooker was quoted by saying, “Even with the construction going on Chukchansi Gold still has the ability to keep guests excited and satisfied,”
